Dear

Thank you for your generous support of this community. We know you have many choices when it comes to charitable giving and we appreciate your decision to partner with Inland Northwest Community Foundation to make the most of your charitable dollars.

Each year, we assist dozens of donors who support hundreds of nonprofits that benefit thousands in our community. Yet, we know there is always more we can do to help. That is why we are launching a new Legacy Society and working with our fund founders to assist their donors to plan gifts that will keep on giving.

Some of the most inspiring gifts are those that provide critical support year after year in perpetuity. These legacy gifts can be truly transformative to those they benefit. I would love to sit down with you and explore how you might be able to make a gift that has this type of impact.

For example, something as simple as naming a permanent fund at INWCF in your will can provide you and your family tax benefits you may not have considered.

I hope you would be willing to talk with me further about your charitable goals and explore the possibilities.

I will call you within the next two weeks to arrange a meeting and look forward to assisting you in any way possible. If you find it more convenient to call me first, I can be reached at 509-624-2606 or [pjwatters@inwcf.org](mailto:pjwatters@inwcf.org).

I am enclosing information about our Legacy Society and look forward to our conversation.

Sincerely,

PJ Watters
