Call for Nominations

2008 Inland Northwest Philanthropy Awards

November is National Philanthropy Month, and the Inland Northwest is eager to celebrate the commitment, generosity and vision of this region's exceptional philanthropic leaders and their causes.

Your role is important—and easy. Simply submit your nomination in one or more categories for an individual or organization that deserves recognition for their generous contributions to their community or our region. Think broadly as you consider your nomination—philanthropy comes in many forms.

Each award recipient will receive a grant to award to his or her charity of choice. Award winners will be recognized in a special section in the October 23rd issue of the *Journal of Business*, the Inland Northwest Development Council's Philanthropy Awards Social and an appropriate city council meeting.

Nomination forms are available at www.inwcf.org or by calling Inland Northwest Community Foundation at 509.624.2606. All nominations must be received by September 19, 2008. Please email nominations to pjwatters@inwcf.org or mail to INWCF, 618 W. Riverside Avenue, Suite 302, Spokane, WA 99201 or fax to 509.624.2608.
